

NORTH WILLOW GLEN NEIGHBORHOOD ASSOCIATION

Meeting Date: 7.24.01

- A vote was taken regarding restructuring the board. The Board voted on restructuring to 1 President, 1 Vice President, combined secretary/treasurer, city liaison, community liaison, and two members at large.
- Discussion regarding the Willow Development & the houses slated for demolition. Can they be salvaged and moved? If anyone is interesting in preserving those buildings, contact Allison. Also, discussion regarding the historic preservation issue and differences in conservation zone versus historic zoning. Talked about permits and changes to your home. Allison has been doing research on this.
- Our last "spruce up" day at Fuller Plaza was very successful. We were served lunch at the Smokehouse. The cleanup also sparked other residents to work on the Fuller/Delmas area. Our next one is scheduled for Saturday, August 18, at 9am. to finish Fuller Plaza and paint the fence. Bring gardening tools. Meet at side of church. In the future, we could possibly look to cleaning up individual residences that need assistance, with their approval, of course.
- Open Space committee will be held regularly on the second Sunday of the month at the Bird & Fisk site. However, the next meeting will be August 5 at 6pm. Discussed Atlanta strip lots, dog park in progress on Lelong, Bird & Coe intersection round-about. Bird & Fisk possibly kid friendly, fence, color plantings, irrigation revitalization, streetlights repaired.
- Next month elections will be held for full term officers. All positions are available, both on a volunteer and nomination basis. The current board members were introduced.
